# COSMOS DIABOLICUS

The **cosmos** is a vast order or system that Satan has promoted, which conforms to his ideals, aims, and methods.

**It is civilization now functioning apart from God.**

... This system embraces its godless governments, conflicts, armaments, jealousies, its education, culture, religions of morality, and pride. It is that sphere in which man lives. It is what he sees, what he employs. To the uncounted multitude it is all they ever know so long as they live on this earth.

It is properly styled ***the satanic system***, which phrase is in many instances a justified interpretation of the so-meaningful word, *cosmos*. It is literally a ***cosmos diabolicus***.<sup>1</sup>

Henry G. Liddle & Robert Scott's *A Greek-English Lexicon*:

- (1) *kÒsmoj (kósmos)*: “world-order” [985];
- (2) *diabolikÒj (diabolikós)*: “accuser, slanderer, devilish [390].”

# JESUS CHRIST INSIDE THE PROTOTYPE DIVINE DYNASPERE

The **divine dynasphere** was originally designed for our Lord's humanity, a gift from God the Father given on the first Christmas.

Throughout His first advent, the humanity of Jesus Christ resided and functioned constantly inside the prototype divine dynasphere.

Though tempted far beyond anything we have ever known, He never departed from the Father's plan; He never stepped out of the divine dynasphere.
